THE NEW

"C.B." ARROW

ACE

MODEL

An upright design with parallel head and seat tube 70 degrees.
Incorporating "C.B." abrupt offset front forks and Simplex professional 3-speed gear.

A De-Luxe
Silver Arrow
Model.

Comfortable
and responsive
on hills.

Single Speed
or 3-speed,
as illustrated
(see below).

Specification.

WEIGHT 27½ lbs., as illustrated.

FRAME.

Built of special angle lugs (70° head and seat tube) beautifully filed and cut away by the "C.B." process. Reynolds' High Manganese Butted Steel Tubing in "C.B." special gauges. Straight tapered seat and chain stays solid brazed up with "C.B." quick release frame ends. All brazed-on refinements. Wheelbase 42 ins. Bracket height 10½ ins. Frame sizes, 20, 21 or 22, or to order.

FORKS.

"C.B." D-Round abrupt offset, of H.M. butted taper gauge, solid drop-out ends, butted steering column.

WHEELS.

26" x 1¼" chrome Endrick rims, pencil barrel race hubs, chrome plated with locked cones, best double-butted ebony finish spokes.

TYRES.

John Bull "Firefly" covers and tubes, 26" x 1¼".

SADDLE.

Brooks' Continental "Flyer."

BEND.

Shallow Marsh as illustrated on "C.B." stem, adjustable, chrome plated or black celluloid covered. Sponge rubber grips.

CHAIN.

Renolds Roller, ½" x ⅛".

PEDALS.

Steel racing, full-width.

BRAKES.

Two, front and rear. Special lightweight calliper bolt fixing, adjustable. Solid lever and waterproof cables.

CRANKS.

"C.B." 3-pin fixing, detachable 46 T. x ½" x ⅛". Light steel cranks 6½" chrome plated.

GEARS.

Three-speed derailleur, Simplex professional racing model giving gear combinations of 66", 75" and 85".

GUARDS.

Bluemel's lightweight with detachable stays, brazed-on eyelets, fly nut quick release.

OILING.

"C.B." force feed to head and all bearings. Oil gun with instructions provided.

EQUIPMENT.

"C.B." tool roll and cape carrier, tools, etc.

FINISH.

The New C.B. Copper "Lustra" recommended, with "C.B." chrome plating to front fork ends, crown and rear fork ends (or to order).

Alterations to specification and frame angles on this model can only be made at extra charge - components listed having been purchased especially at reduced rate which has made possible this low price for such a high-class complete machine.
