Professional SL

12 SPEED SUPERLIGHT ROAD RACING CYCLE

FRAME

Built in our model shop for the top roadman. Tubing is Reynolds 531 SL, Lugs are Prugnat 'IC', Angles 74° parallel, Cinelli Microcast crown. Campagnolo short ends.

COMPONENTS

Specification of this model is based upon the Campagnolo 'Super Record' group, from which come the chainset, brakes, seatpin, pedals and gear mechanisms. Wheels are Campagnolo 'Record' small flange hubs laced 36/36 with double butted chrome spokes in Fiamme 'Ergal' rims. Tubulars are 'Paris-Nice' by Canetti. Double rings to choice and 13 - 18t Regina 'Oro' block give 12 gears. Handlebars are satin anodized 'Dallas' - by Fiamme. Stem the Fiamme 'Montreal' and the saddle is by Cinelli.

WEIGHT

20 lb for 22½" model.

COLOUR

Finish is to customers own specification, including front and rear chrome dropouts.

Frame is available separately, fitted with Campagnolo 'Super Record' headset and seatpin.
